**MEMORANDUM FOR RECORD**

**SUBJECT: Aviation Operational Readiness and Safety Evaluation (AORSE) Checklists**

1. The USAREUR Aviation Safety and Standardization Detachment (UASSD) checklists assist aviation commanders and their staff in improving the operational readiness of their units and help prepare for an AORSE.
2. The checklists on the UASSD web page [www.uassd.army.mil](http://www.uassd.army.mil) are updated when changes occur.
3. The checklists contain standard items evaluated during the AORSE, DES, UASSD or command may inspect other areas of interest. Along with current training aids and checklists, the UASSD checklists are "similar guides" used in accordance with AR 385-95, para 3-2.
4. The following are common symbols and meanings:
  - a. P = Proficient
  - b. F = Finding
  - c. NA = Not Applicable
5. Point of contact is DSN 322-7741 or email [polnco@cmtymail.104asg.army.mil](mailto:polnco@cmtymail.104asg.army.mil).
